The 1936 Fortress

Preparatory work on the Wartburg Fortress has been pro-easing rapidly during the last few weeks. Individual and two pictures of all angles of college life have been taken, in a state of the wardous phases of school activities are we lang collected. All indications point to a very success-al and interesting annual a picture of Wartburg's all years at Wartburg's the successful unless the season.

events.
Having prospective students see the campus and the work
of the school will be of more value than many pages of publicity material. We ask the activities committee to consider
making plans for Wartburg's first annual "Senior Day".

Our Prospective Teachers
